

## Quick Guide for EZLoop VoIP Wireless Phone 3<sup>rd</sup> Generation

1	 A screenshot of the WindowsCE operating system interface. The title bar reads 'WindowsCE'. Below it is a menu bar with 'File', 'Zoom', 'Tools', and 'Help'. The main screen displays 'SIP Settings' at the top. Below this are several icons: a clock, a call log, a phone book, network settings, wireless, phone settings, SIP settings (highlighted with a yellow border), web cam, MSN, and Skype. At the bottom, there are 'Select' and 'Return' buttons.	<p>Before you begin, please kindly be noted the device is under user mode, not admin mode for default setting. Now, please select “SIP Settings” first.</p>
2	 A screenshot of the WindowsCE operating system interface. The title bar reads 'WindowsCE'. Below it is a menu bar with 'File', 'Zoom', 'Tools', and 'Help'. The main screen displays 'SIP Settings' at the top. Below this is a 'Display Name' field with a blue background and a white text box. At the bottom, there are 'Edit' and 'Return' buttons.	<p>You'll see “Display Name” only. (Note.Still under user mode for now.)</p>
3	 A screenshot of the WindowsCE operating system interface. The title bar reads 'WindowsCE'. Below it is a menu bar with 'File', 'Zoom', 'Tools', and 'Help'. The main screen displays 'Phone Settings' at the top. Below this are several icons: a clock, a call log, a phone book, network settings, wireless, phone settings (highlighted with a yellow border), SIP settings, web cam, MSN, and Skype.
